

wired.MD OFFERS streamMed HOSPITAL

COMPREHENSIVE

streamMed Hospital™ is a comprehensive, on-demand patient education solution available for use within a hospital on the intranet, designated “kiosk” computers, health resource centers, medical libraries, and exam rooms.

MULTILINGUAL

Patient education videos are available in up to **9 languages**. New video content is produced in both **English** and **Spanish**. Multilingual videos feature **native-language speakers** (not dubbed translations).

EVIDENCE BASED

wired.MD videos are continually reviewed by experienced and accredited **on-staff medical professionals**. New videos are added **annually** based on current medical information and **customer feedback**. Outdated content is removed or replaced immediately with updated information.

a product of wired.MD®
